Welcome!

We appreciate your interest in joining The Auxiliary of the New York State Association of Plumbing, Heating, Cooling Contractor's, Inc. To assist you, we have assembled a New Member Packet with information you will find helpful.

An important objective of The Auxiliary is to cooperate with the NYS Association of PHCC in promoting education, benevolence, and historical awareness of the plumbing-heating-cooling industry. With a generous donation from the NYSAPHCC, The Auxiliary awards annual scholarships to deserving high-school and post-secondary school applicants to accomplish this goal. In addition, we hold charitable auctions at conventions with proceeds donated to worthy causes.

Participating with The Auxiliary gives you a wonderful opportunity to make life-long friends and become involved in the community, as well as the Plumbing-Heating-Cooling industry. Our annual dues are \$25.00 and must accompany your New Member application. Our Bylaws state that as a member of The Auxiliary of the NYS Association of PHCC, you must also be a member of the PHCC National Auxiliary.
